BEVERAGE & BAR SERVICES

Hosted Bar: You're buying, we will put all the drinks on your invoice and bill accordingly.

Cash Bar or "No Host Bar": Guest buying; we will charge your guests for each drink they order.

Limited Hosted Bar: You set the amount you are going to host. Once that pre-determined amount has been reached the bar will switch to a cash bar.

Based on Consumption: An alternative option to a Bar Package, we will keep track of the actual consumption and add the total to your invoice upon conclusion of your evening, rather than having a pre-determined per person price like the Bar Packages.

Bar Minimum: For every bar we set up for your event, there is a \$500.00 minimum. The minimum is what we require your bar sales to meet.

Holiday Inn Auburn & Max's Restaurant and Bar Policies

All agreements for function space are subject to the following conditions:

- 1. The attendance for any function must be specified seventy-two (72) hours in advance. Once specified, this number will be considered a guarantee, not subject to reduction, and charges will be made accordingly. The attendance listed on the Banquet Event Order will automatically become the guarantee if the Catering Office is not advised by the specified deadline. Final payment can be made with cash, cashier's check, or credit card and is due at the specified deadline.*
- 2. We prepare meals for functions 5% over the guaranteed number in attendance to a maximum of 40 people. If required to prepare more than 5%, there will be an additional charge of \$5.00 per person for covers exceeding the allowed coverage and selections will be based upon availability.*
- 3. When providing a split entrée selection, the higher priced entrée will prevail as the overall entrée cost.*
- 4. All food and beverage prices are subject to applicable service charges and sales tax. Note: Service charges in California are subject to sales tax.*
- 5. All prices are guaranteed 90 days prior to the function. Although it is unusual, any function booked beyond 90 days may be subject to price changes without notice, based on the prevailing market costs.*
- 6. If the client delays the meal service, beyond one hour of the scheduled service time, an additional fee of \$3.00 per guaranteed guest will apply.*
- 7. Should you cancel this space within 60 days of the function date, the Hotel shall use its best efforts to resell the space. The resulting cancellation fee will be based upon the unsold portion of the guest rooms and function space, equal but not to exceed 100% of the total value of commitment.*
- 8. Outside food or beverage is not permitted in the function rooms. No food or beverage will be removed from function rooms.*
- 9. Function rooms assigned are tentative and the Hotel may reassign rooms without prior notification. The Hotel will use its best efforts to notify the Meeting planner of any unanticipated reassignments.*
- 10. A labor fee of \$100.00 may apply for any food function for less than 25 guests.*
- 11. The hotel will not assume responsibility for damaged or losses of merchandise and reserve the right to require security for certain events. Only Hotel approved security firms may be utilized, or security can be arranged through the catering office.*
- 12. No signage may be affixed to Hotel walls or doors. Easels can be supplied through the Catering Department. Only professionally printed signs may be displayed in the Hotel lobby. The Catering Department must approve any signs the client wishes to display.*
- 13. A labor fee of \$250.00 may be incurred for any room set changes on the day of the function.*
- 14. Function rooms will be left in a neat and orderly fashion, free of debris, trash or decorations. For disposal of substantial amounts of debris, a handling fee may apply.*
- 15. Either a completed credit card authorization form or approved Direct Bill application must be on file at the signing of the contract.*
- 16. These policies shall be governed by and construed with the laws of the State of California.*
- 17. If any party commences action against the other interpret or to enforce any contract terms, the losing party shall pay the prevailing party, in addition to any other amount awarded thereto, an amount equal to the attorney fees, costs and expenses, court costs and other costs paid or incurred by the prevailing party in connection with the prosecution of defense of such actions.*
