

BEVERAGE & BAR SERVICES

Hosted Bar: You're buying, we will put all the drinks on your invoice and bill accordingly.

Cash Bar or "No Host Bar": Guest buying; we will charge your guests for each drink they order.

Limited Hosted Bar: You set the amount you are going to host. Once that pre-determined amount has been reached the bar will switch to a cash bar.

Based on Consumption: An alternative option to a Bar Package, we will keep track of the actual consumption and add the total to your invoice upon the conclusion of your evening, rather than having a pre-determined per person price like the Bar Packages.

Bar Minimum: For a Full Bar we set up for your event, there is a \$500.00 minimum. For a Beer and Wine Station, there is a \$300 minimum purchase.
